Sunset Skating Club

After CanSkate...

An **introduction to figure skating** in a group lesson setting. All skaters accepted into the JD program have been auditioned by one of the program coordinators and have shown talent, desire, and an interest in figure skating

Jumps, spins, footwork and musicality will be developed through this twice per week program. Class sizes are kept smaller to allow for individual attention. Skaters must show their commitment by enrolling in the entire program, **both** on ice and off ice development (2 days a week).

DRYLAND: Our club coaches will work on off-ice jump techniques and strength training. Precise muscle area workouts and conditioning exercises are emphasized. Benefits include injury prevention and on ice personal improvements.

Sunset Skating Club's JD **coaching staff** is one of the best in Vancouver. Nationally certified coaches with competitive experience will work with your child on a weekly basis to ensure they develop the necessary figure skating basics.

Skating attire for Junior Development differs greatly from that of CanSkate. Girls are to arrive in a skating dress or skirt with their hair tied back or in a bun. Boys are to wear appropriate skating pants. **NO loose clothing or heavy winter jackets.** Helmets are NOT recommended or necessary at this level.

All JD fees include coaching fee.
