### GROUP PROGRAMS: On-ice (Sunset Members Only)

**JUNIOR STAR:** Club program for Junior skaters focused on introducing and developing proper technique for mastering elements. The program is taught by club coaches and their assistants with each group rotating and working on different elements throughout the session.

**ENRICHMENT:** A session of creative edgework and powerful stroking. A mix of slow and fast paced exercises are used in each session. Footwork, spin, and jump patterns are the areas that will be focussed.

**SPIN PATCH:** Ice time dedicated to skaters practicing spins only. (Lessons are to be booked through individual coaches.)

**GROUP SPIN PATCH:** Ice time dedicated to skaters practicing spins only. Lessons are taught as a group club program by club coaches and their assistants. Coaches' fees are included in the session fee.

### GROUP PROGRAMS: Off-ice (Sunset Members Only)

One on-ice session must be purchased to be eligible for any off-ice sessions.

**DRYLAND:** Our club coaches will work on off-ice jump techniques and strength training. Precise muscle area workouts and conditioning exercises are emphasized. Benefits include injury prevention and on ice personal improvements.

**STRENGTH & CONDITIONING:** Facilitated by a personal trainer, this strength and conditional program designed for skaters builds core strength and full body conditioning.

**FLEXIBILITY:** Flexibility training allows a skater to increase range of motion, reduce muscle tension, reduce severity of injuries and improve body alignment and muscular symmetry.

**DANCE:** This program is designed especially for figure skaters' development, for breadth of movement, musicality, versatility of styling and flexibility. Different forms of dance will be covered.
